WORKOUT ON FRANKLIN FIELD

Philadelphia, April 18—The french trackmen, here for the University of Pennsylvania relay carnival next week, had their first workout today on the Franklin field. They showed fine form according to Lawson Robertson, the Pennsylvania coach, and other experts who saw them in action.

Robertson particularly was ompressed with Gaston Fery, quarter mile champion of France. That boy is a classy runner," he said.

FINAL MATCH FOR SOCCER

London, April 12.—Miss Alexa Stiring.

United States woman rolf champion. Who is entered in a majority of the European titular tournaments this season, made her first appearance in a match on an English course today. She played in a special women against men match at Stoke Poges and although defeated by her male opponent, she mide a most favorable impression among expert critical she will be received an extra stroke at alternative to the match of the course today.

FINANCIAL AND COMMERCIAL

NEW LOW RECORDS IN MARKET New York, April 18.—Sentiment in Fall Street today evinced a decided re-erial from the moderate optimism high marked has week's later dealings. his change was reflected in stock mar-This change was reflected in stock market prices, where gross reactions of 1 to 5 points established several new low records for the year.

On the surface there were no untoward developments over the Simday recess. Cables dealing with the British labor situation were encouraging and the domestic hank position continued to strengthen at federal reserve centres.

In well-informed banking circles it has intimated that the plans of the administration at Washington to devise measures.

for relieving the railroads and industrial interests from further economic disturb-

interests from further economic disturbance were making steady progress.

Western transportation terminals reported further diminution of tonnage. Although movements of whest and other foodstuffs from farms and elevators were large, they were offset by smaller shipments of cotton, coal and lumber.

Dealings were light throughout the session, but of a fairly varied character. Rails, Steels and Equipments more or less as named, featured the backward issues with a sprinkling of leather, tobacco and food specialities.

Oils stood out for their relative steadiness, especially the low-grade, stocks, the demand in that quarter effecting numerous railies of 1 to 2 points elsewhere before the close, net losses being largely nominal. Sales amountd to 406,000 shars.

shars.

In the open market call money was obtainable at 5 per cent, but on the exchange the rate held at 7 per cent. Time funds also were firm, though in freer supply. Exchange on London was barely steady, but remittances to continental points, especially Italy strengthened.

Local traction and high grade railway bonds, notably Pennsylvania 4 1-2°s and 5's were heavy. Liberty issues also easing, but seme internationals were firm. Tetal sales (par value) were \$3.275,086.

.25 .25 CHICAGO GRAIN MARKET

Chicage, April 18.—Wheat prices tum-bled today owing largely to centimued importation of Canadian wheat and to a sharp break in values at Winnipeg. The market closed heavy at 3 1-2 to 4 1-40 net lower, with May \$1.24 to 1.24 1-4 and July \$1.05 1-4 to 1.85 1-2. Corn best 5-8 to 3-4 and eats 1-2 to 7-5 a 1c. The finish in provisions was unchanged to 35c down.

down.

At first the wheat market showed considerable strength as a result of fear that low temperatures had damaged the new crop. Fleid advices, however, indicated that the damage, if any, would prove to be of only a misser character. Then the attention of traders shifted to big receipts in the Nectional working as to progress of the emergency tariff bill in the senate tended also to give some advantage to the bears. At this functure word came of a collapse in prices at Winnipeg, news which greatly accelerated the downward swing of the market here. Com and outs weakened with wheat, but were steadied somewhat as a result of export sales of 500,000 bushels of corn.

Furned Down Offer

Joe Cosgrove of Waterbury has turned down an offer from the Martinsburg of the Blue Ridge league pitcher Frank Colley. Martinsburg offered a lefthanded pitcher and a hard-hitting infielder for the former Worcester hurler, but Ceagrove thinks so well of Colley that he refused to listen, Joe has plenty of pitchers, Kahn, Williams, Fuller, Stubing, Celley and Cardinal, the Helyoke bey, but he would welcome a high-blass catcher and a hitting outfielder.

Jimmy Burke, the ex-tech high star, is new pitching for the Staunton Military Academy. Jimmy has wen the first five games for the Virginia school and is proving as much of a star on the meund as he was at half back last fall. Al Pieretti, pitcher for back last fall. All Fieretti, pitcher for the Besten Braves, is a lieutenant at Stannton and he saw Jimmy work a game or two before departing for the Brave's training camp. It would not be surprising if Pieretti reserted fa-verably to Fred Mitchell of the prowess of the local boy.

Hartford's Addition

The addition of Brick Kane to the Hartford infield talent will materially aid Arthur's Knights. Brick is said to have picted up many valuable pointers on third base play from McGraw, as well as points on hitting from Jesse Burkett. Brick said to be an improved ball player.
